

Regenerating Australia - Watching The Film (Years 7 & 8)

Name

Class

Student Worksheet

1. After watching “Regenerate Australia”, note down the question/s you had about regeneration and what you learned about the concept from the film.

2. Go out and photograph that area of the school (or something that symbolises your idea, if it doesn't relate to a specific location), then return to the classroom, and write a short summary of your opinion here:

Reflection

Consider the major learnings of this lesson and note down your ideas around how the regeneration of what you photographed would benefit the school and/or wider community:
